External Resources Form 2011-2012

Please complete and return this form if you will receive any External Resources to help fund your education at Lewis & Clark. The term "External Resources" applies to funds awarded to you and administered by an organization other than Lewis & Clark College. External resources include:

- Scholarships awarded by your high school, religious, civic, or other organization
- Tuition benefits received from your parent's employer
- State and federally funded scholarships & grants (other than Federal Pell Grants and Oregon Opportunity Grants)

Once we receive this form, your financial aid package will be revised to include your outside scholarships/awards according to Lewis & Clark's External Resources Policy, which is detailed below.

- External resources will be applied first to any remaining unmet financial need.
- If a student's demonstrated financial need has already been met with federal, state, and/or College resources, this additional funding will reduce your need-based federal financial aid.
- If a student's need-based federal financial aid must be reduced, the reductions occur in the following order: Federal Perkins loan, Federal Stafford loan, Federal Work-Study, and Federal Supplemental Opportunity Grant (SEOG).
- Lewis & Clark Grant awards will be reduced in a financial aid package only if the total amount of external resources combined with College grant and/or scholarship assistance exceed the student's cost of attendance budget.
- Although the entire resource amount may be sent to the College in one payment, scholarship funds will be divided equally between the fall and spring semesters. The scholarship donor may request a different distribution of the student's funds by providing written instructions to Student Financial Services.

Please list below only those scholarships and awards you know you will receive.
