Associated Students of Lewis & Clark

Student Senate 2010-2011

Senate Resolution No. SP11 SR008

A Resolution Regarding Green Fee/Contribution

Surplus Advisory and Allocation Board

Whereas, the student green energy fee/contribution is currently $85.00 per student per semester, and

Whereas, through this fee/contribution and the significant decreased use of energy in the residence halls Lewis & Clark was able to purchase energy from sustainable sources for all three campuses, and

Whereas, there is currently a surplus of funds from the fee/contribution, and

Whereas, the students have a vested interest in how this surplus is managed, therefore

Be it resolved by the Senate of the Associated Students of Lewis & Clark here assembled that a Green Fee/Contribution Surplus Advisory and Allocation Board be established to oversee the status of the surplus fund and approve any expenditure from the fund.

Be it further resolved that membership in this board consist of the following individuals: one Senator from ASLC, the Sustainability Coordinator (see SP11 SR005), the Sustainability Manager, Vice President for Business and Finance, or designee and the Dean of Students, or designee.

Be it further resolved that this board shall not only maintain 8% of the fund in reserve to supplement the on-going purchase of energy from sustainable sources,
