EDUCATION

Colorado College: B.A. Magna Cum Laude, Geology, 1984

Stanford University Law School: J.D., 1987

Member, Stanford Environmental Law Journal

PROFESSIONAL EXPERIENCE

1988-present Northwestern School of Law of Lewis & Clark College.

Associate Professor of Law and Director of the Pacific Environmental Advocacy Center, the law school's environmental law clinic. In addition to Environmental Clinic, courses taught include Wildlife Law; Civil Procedure, Environmental Litigation; Law, Science, and the Environment Seminar; Legal Ecology (field class); and Endangered Species Act Seminar.

1989 The Peregrine Fund.

Worked as a hack site attendant for seven weeks, reintroducing juvenile peregrine falcons into the Yellowstone ecosystem.

1988 Clerk for Justice Jay A. Rabinowitz, Alaska Supreme Court.

Among others, authored the opinion for the Court in a major Clean Water Act case, *Miners' Advocacy Council v. State of Alaska*, 778 P.2d 1126 (AK 1989).

1987 Center for Conservation Biology.

In cooperation with the Center's Biodiversity Program, traveled to east Africa to consult with Ugandan officials and conduct research on Uganda's regulation of its biological resources. Project included work with government officials of Uganda's Ministry of Environment Protection and the Law Faculty at Makerere University.

1985-86 Sierra Club Legal Defense Fund.

Worked part-time as a law clerk during the summer of 1985 and full time as a legal intern/law clerk January through August 1986. Duties included coordinating a long term project involving conservation of grizzly bears in the Lower 48 states.

1981-84 U.S. Geological Survey, Bureau of Exploration Geochemistry.

Worked as a Geologic Field Assistant and Physical Science Technician during school vacation period.
