

Your application has been selected for review in a process called "Verification". This process requires that we compare information reported on your Free Application for Federal Student Aid (FAFSA) with signed copies of your and your parent(s) 2006 Federal income tax forms, W-2 forms and other financial documents. If there are differences between your FAFSA information and the verification documents submitted, it will be necessary for our office to make corrections to your FAFSA data with the federal processor and determine your eligibility for financial aid using the verified information.

Please complete both sides of this form and return it with the necessary documentation. Further action will not occur until the verification process is complete. It is to your benefit to respond as promptly as possible so that your financial aid will not be delayed.

What you should do:

1. Collect your **and** your parent(s)' financial documents (copies of signed 2006 Federal tax forms, W-2 forms, etc).
2. Fill out and sign this worksheet (you and at least one parent). Do not leave any sections blank. Please contact our office if you have any questions about completing this worksheet.
3. Submit the completed worksheet with your financial documents, to the Office of Student Financial Services as soon as possible.
