\*The health insurance amount indicated is for the 2006-07 academic year. Premiums have not yet been established for the 2007-08 academic year. Health insurance coverage is required of all students and is automatically billed to student accounts. If a student has health insurance coverage through another source, a waiver must be completed online. Instructions regarding completing this online waiver will be sent with the first billing statement in mid- July. More information regarding the health insurance plan offered through the College can be found online at [www.lclark.edu/dept/health/insurance.html](http://www.lclark.edu/dept/health/insurance.html).
