LEWIS & CLARK COLLEGE

## 2012 Schedule

*you went to NSO and are ready to start college . . .*

*so what comes next?*

## Beyond NSO!

Beyond NSO is an extended orientation program where new students can continue to earn Pio Points by attending specific events, workshops, athletic contests, and more.

Make sure you attend as many Beyond NSO events as possible, as your Pio Points will allow you to bid on cool items at our auction on Friday, November 2: items like an iPad, iPod touch, a flat screen TV, gift cards to a variety of community partners, and much, much more!

For a full list of Beyond NSO events, visit [go.lclark.edu/beyond/nso](http://go.lclark.edu/beyond/nso).

# New Student Orientation is designed for you!

These programs and events will introduce you to the campus environment, provide opportunities for you to meet your classmates as well as faculty and staff, and equip you with the tools and introduce you to resources necessary for a successful college career.

Our hope is that you will attend each program and take advantage of all of the social opportunities.

► Events marked with this triangle are mandatory and require your attendance.

If a time range is indicated for an event, it either means you have that period of time to check it out or that you will find further instructions in your arrival packet.

If only a start time is indicated, please report to the specified location several minutes prior to the beginning of the event.

*Carry this schedule and your student ID card with you throughout New Student Orientation.*

The extended orientation program, **Beyond NSO**, begins on Tuesday, September 4, and culminates on Friday, November 2, with our annual auction and soiree.

By participating in select events, new students earn **Pio Points**, which can be used at the auction or to win prizes along the way.

Points for applicable NSO events are listed to the right of the event name. Points are based on the following themes: Engage (100 points), Learn (200 points), or Succeed (300 points).

You must have your student ID card at the designated events in order to receive your Pio Points.
