Important: Your financial need will not determine whether or not you are selected for a trip. Trip leaders will not read scholarship applications. Each participant application will be read separately from the scholarship application.

Scholarship Applications are due December 7th, 2012 by 5pm to Kirsten Fix (Albany 206).

(1) Please attach a financial aid statement or financial aid award letter.

- Please describe your investment and commitment to this trip.
- Is there additional information that you would like to share regarding financial need that does not come across in your financial aid statement? If you have other financial circumstances that will prevent you from participating please use this opportunity to address them here.

*Financial aid statements and/or financial aid award letters can be found on Web Advisor. If you have trouble printing this document, please visit the Financial Aid Office (Templeton Student Center) to obtain a copy. Student I.D. is required.
