Location:	Fields 202 & Manor House Board Room		
Prepared By:	Michael Sestric	Report Date:	Tuesday, May 18, 2004

Notes:

This committee met to review the qualifications, hear presentations from four architects and select one firm to provide consulting services for the Templeton Student Center Feasibility Study.

The four firms interviewed were:

Malum Architects
Hennebery Eddy Architects
RMB Architects
Mithun Architects

Each firm made a 30 minute presentation and allowed 14 minute for questions from the committee. Photos of presentation materials provided by each firm are attached to the meeting notes.

Following the presentations, the Committee adjourned to the Manor House Board Room to discuss which firm should be selected to prepare the feasibility study.

The Committee reached consensus that Mithun Architects seemed to be uniquely qualified for this project.

Action Items:

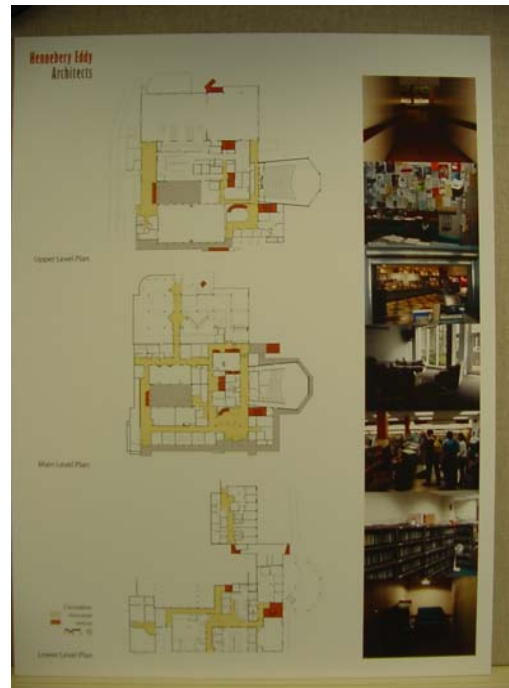

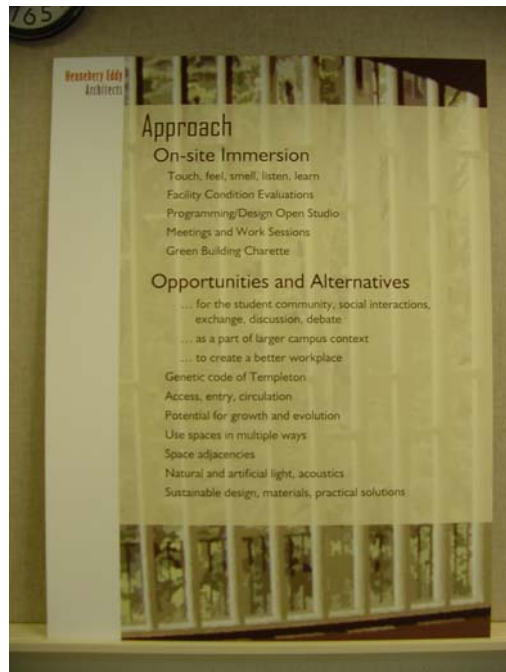

1. Campus Planning will prepare a consulting contract
2. Campus Planning and Facilities Services will work with Mithun to select speciality consultants for the study.
