Important Questions	Answers	Why this Matters:
What is the overall deductible?	\$50 claimant / \$150 family per calendar year. Doesn't apply to the following services: preventive dental services. Coinsurance or amounts in excess of the allowed amount do not count toward the deductible.	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services, but see the chart starting on page 2 for other costs for services this plan covers.
Is there an <u>out-of-</u> <u>pocket limit</u> on my expenses?	No.	There's no limit on how much you could pay during a coverage period for your share of the cost of covered services.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	This plan has no out-of-pocket limit.	Not applicable because there's no <u>out-of-pocket limit</u> on your expenses.
Is there an overall annual limit on what the plan pays?	Yes. \$1,500	This plan will pay for covered services only up to this limit during each coverage period, even if your own need is greater. You're responsible for all expenses above this limit. The chart starting on page 2 describes <i>specific</i> coverage limits, such as limits on the number of office visits.
Does this plan use a <u>network</u> of <u>providers</u> ?	No.	This plan treats providers the same in determining payment for the same services.
Do I need a referral to see a specialist?	No. You don't need a referral to see a specialist .	You can see the specialist you choose without permission from this plan.
Are there services this plan doesn't cover?	Yes.	Some of the services this plan doesn't cover are listed on page 4. See your policy or plan document for additional information about excluded services .

- <u>Coinsurance</u> is *your* share of the costs of a covered service, calculated as a percent of the <u>allowed amount</u> for the service. For example, if the plan's <u>allowed amount</u> for a crown is \$500, your <u>coinsurance</u> payment of 50% would be \$250. This may change if you haven't met your <u>deductible</u>.
- The amount the plan pays for covered services is based on the <u>allowed amount</u>. The plan does not reimburse dentists for charges above the <u>allowed amount</u>. If a <u>provider</u> charges more than the <u>allowed amount</u>, you may have to pay the difference. For example, if a dentist charges \$200 for an examination and the <u>allowed amount</u> is \$150, you may have to pay the \$50 difference. (This is called <u>balance billing</u>.)
