

Deleting Cookies in Firefox

To delete all cookies stored in Firefox:

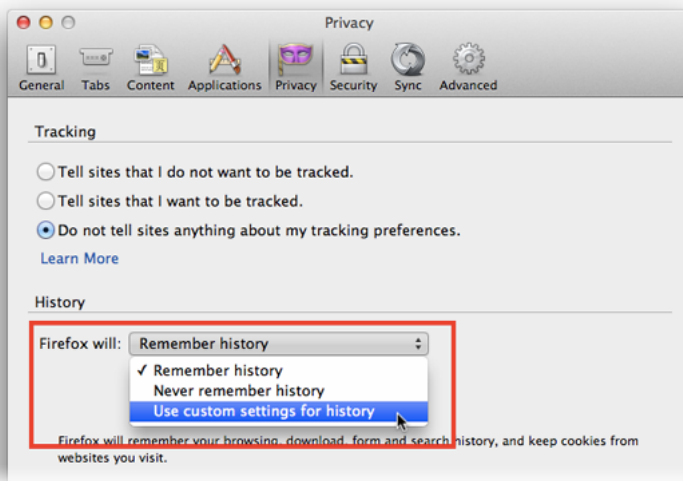

1. On the menu bar, click on the **History** menu, and select **Clear Recent History....**
2. Set **Time range to clear** to **Everything**.
3. Click on the arrow next to **Details** to expand the list of history items.
4. Select **Cookies** and make sure that other items you want to keep are not selected.

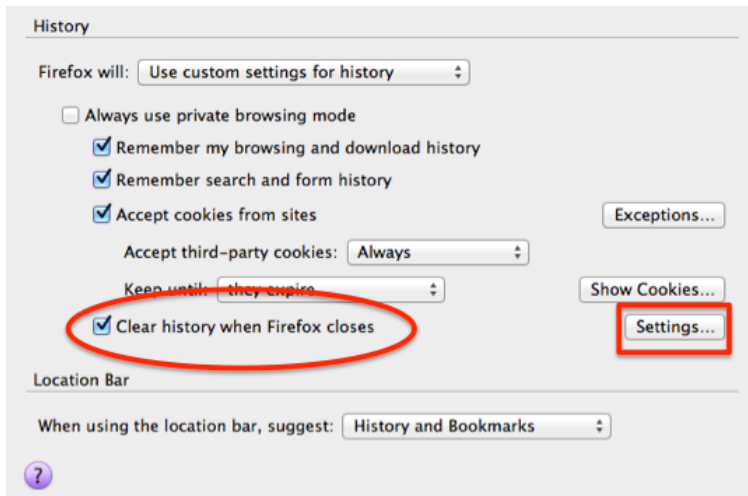

5. Click **Clear Now** to clear the cookies and close the Clear Recent History window.

Setting Firefox to delete cookies when quitting:

1. On the menu bar, click on the **Firefox** menu and select **Preferences...**
2. Select the **Privacy** panel.
3. Set **Firefox will:** to **Use custom settings for history**.

- Put a check in the box next to **Clear history when Firefox closes**. Click the **Settings** button to the right if you would like to be more selective and clear only your cookies instead of your complete history.

- Close the Preferences window. Your cookies will be deleted each time you quit Firefox.
