

Essential Housing Package at Lewis & Clark

These packages offer diverse options to meet your group's needs. In addition to the housing arrangements explained below, each hall offers community lounges and kitchens for group activities as well as easy access to our other facilities and beautiful grounds.

Stewart, Odell, and Akin Halls

Offering a central location near Templeton Campus Center, these halls have some of the largest rooms on campus, featuring movable furniture and walk-in closets.

Alder, Manzanita, Ponderosa, and Spruce Halls

These residence halls are located at the southwest corner of campus and house up to 64 guests.

Copeland Hall

Located near a ravine, Copeland Hall is made up of seven connected wings. Each wing has up to four floors, each housing 8 to 13 guests.

Howard Hall

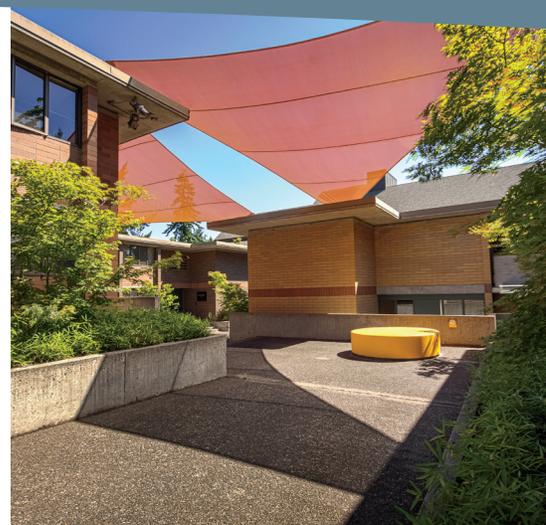

With 90 recently updated rooms, Howard Hall offers quick access to Templeton Campus Center as well as many of the college's academic buildings and event venues.

Deluxe Housing Package at Lewis & Clark

In addition to our diverse housing options, Lewis & Clark offers everything you need to make your camp or conference a success: modern facilities in a beautiful parklike setting, on-campus dining and catering options, and information technology services. Contact our dedicated staff of event planning professionals to plan your summer event at Lewis & Clark.

Hartzfeld Hall

With four two-story buildings, Hartzfeld Hall can accommodate 100 guests in suite-style housing. Each Hartzfeld suite includes a bathroom and two adjoining double rooms. Every building has a large central lounge including a cozy fireplace and updated spacious community kitchen.

Platt Hall

Fully renovated in 2013, Platt Hall is ready for your group. Encompassing two buildings, Platt can accommodate 100 guests in primarily double rooms that are comfortable and spacious. Each floor features a kitchen and lounge area, and there is a large central lobby for entertainment.

Holmes Hall

If your group is environmentally aware or values the beauty of a well-appointed structure, Holmes Hall will be an ideal fit. It offers accommodations for 169 guests with singles, doubles, and suite-style rooms that are larger than the average living quarters on campus. It also features amenities designed for group activities: a generous living room, game room, hall kitchen, outdoor wood-burning fireplace, and gas grill.

Green Features

LEED (Leadership in Energy and Environmental Design) Gold certification

Use of reclaimed wood in building materials

Sensors that reduce heat when windows are open

Monitors displaying real-time energy use

Charging station for electric vehicles
