

Oregon Transgender Services Coverage

BENEFIT

Effective April 1, 2015, gender reassignment surgery and related services are covered for gender dysphoria diagnosis (es) when members meet medical necessity requirements and are eligible for coverage under the plan.

- Services may be covered under medical benefits or inpatient mental health benefits depending on diagnosis
- Excludes cosmetic and non-medically necessary services
- Counseling services for gender dysphoria diagnosis (es) are covered under mental health benefits
