

Lewis & Clark College Campus Safety Tips

If you are concerned about your immediate physical safety, call Campus Safety's emergency number, [503-768-7777](tel:503-768-7777), or use one of the blue-light emergency phones; also save that emergency number in your phone.

When walking to your car, shuttle stop, or residence hall, do so with a classmate or friend and utilize well-lit pathways.

Download a companion app to your phone such as CompanionApp or SafeTrek, which you can use to let your friends know where you are on campus and immediately notify the police if you need help.

Call Campus Safety to obtain a ride if you feel unsafe walking on campus.

Be aware of your surroundings and trust your instinct. If you feel a situation is unsafe, leave and go to a safe place.

Learn whether your phone has an emergency bypass to call 911 from the locked screen (either [iPhone](#) or [Android](#))

Pick up a complimentary safety whistle from Campus Safety.
