

Lewis & Clark College Childcare Resources

Here are some of the resources we have available for our employees looking for childcare:

- Our [Employee Assistance Program \(EAP\)](#) will research options for employees based on their specific, individual criteria (age of child, cost, location, etc) and generate a report of available options.
- The [Lewis & Clark Kids and Family](#) is a wonderful community resource for parents that frequently shares details about childcare options and opinions (and also gear swapping, etc).
- There following three childcare locations are popular with Lewis & Clark employees (and consequently can have long waiting lists as they are in our neighborhood):
 - **Mount Carmel Preschool & Daycare** 515 SW Maplecrest Dr
[\(503\) 244-5153](#)
 - **Mountain Park KinderCare** 11 Monroe Pkwy
[\(503\) 636-4077](#)
 - **My Bundle of Joy Burlingame** 8331 SW 3rd Ave
[\(503\) 575-5654](#)

Employees might be more successful finding childcare options near their homes, since the SW neighborhood near LC is mostly residential and has limited options (and therefore larger waiting lists).
