Subject to the rules and procedures presently in force or hereafter adopted by the College, (http://college.lclark.edu/student_life/campus_living/) which are incorporated by reference herein, I hereby agree to lease from Lewis & Clark College a room in a college residence hall to be assigned by the College for living quarters at the College's published rates on the following terms:

1. This contract becomes binding on both student and College when the completed, signed contract and reservation deposit are received and accepted by the College.
2. For new students, the \$500 nonrefundable admission reservation deposit also serves as the residence hall deposit. Continuing students are required to submit a \$200 room deposit with this completed, signed contract.
3. Deposits from continuing students may be returned only if written notice of contract termination is received by the Office of Campus Living on or before July 1 for a contract beginning Fall semester, or 60 days prior to the beginning of Spring semester if it is the first semester of occupancy during the academic year.
4. Rent, payable in advance for each semester of residency, is due on or before the date specified in the current College catalog or its amendments. Rent paid is nonrefundable (after occupancy). If the student withdraws from the College, refunds are based on the last date of occupancy. Room and board charges beyond last date of attendance become the responsibility of the student.

6. No specific room is leased by this contract. The College reserves the right to assign and reassign students to any residence hall room on campus at the beginning of each semester, and within a semester.

9. The College reserves the right to enter individual rooms leased to students to perform routine services, maintenance, damage, occupancy, health and safety inspections, or other appropriate functions. A reasonable effort will be made to notify the occupant of entry. College officials may search a room when reasonable suspicion of a Code of Conduct violation exists. The student waives any claim against the College, its agents or employees based upon such entry.

10. . The College agrees to furnish light, water, heat and garbage receptacles as appropriate, and to furnish routine cleaning service for common areas but the College shall not be responsible for any failure to provide such services. 12. . The student shall keep the assigned room clean during use and return the room and its furnishings in the same condition as on initiation of the contract, less reasonable wear and tear (determined in the College's sole discretion), including cleaning, vacuuming and dusting of the room prior to turnover. The student shall vacate the premises in accordance with published residence hall closing procedures. Any property left in rooms or common spaces at the end of an academic year and not claimed within a reasonable time will be deemed abandoned and may be sold or disposed of by the College.

13. The student agrees to be jointly and severally responsible with roommate/s if any, for the condition of the assigned room and its furnishings and to promptly pay the College for any damages to any part of the premises caused by an act or omission of the occupants of the room or their guests (whether negligent or not). The student further agrees to be responsible for the assigned share of any damage to common areas of the premises as determined by the College.

14. The student hereby accepts a meal plan contract payable in advance for each semester. Failure to select a meal plan shall be deemed selection of the 14 meal plan, and the student agrees to pay in accordance with that selection. Changes to meal plans must be made within the first five days of a semester or the plan selected herein will continue for the semester. Students with special dietary needs must contact the Food Service Manager to determine if appropriate custom service is available, and if so, the extra charge, if any, by Food Services, therefore.

15. If any provision of this contract is determined to be unenforceable or illegal, such determination shall not affect any other provision of this contract and all such other provisions shall remain in full force and effect.

16. Anyone who has a felony criminal record must disclose that to the Office of Campus Living in writing prior to entering into this agreement. In addition, should any resident be convicted of a felony or plead guilty or take other action resulting in a felony criminal record after they have entered into this housing agreement they must notify the Office of Campus Living in writing immediately.

17. Students agree not to invite to campus or their room any person who has been excluded from being on campus.

I have read the above contract and agree to abide by the terms and conditions as set forth herein and by the rules and procedures adopted by the College or its Office of Campus Living.
