# SINGLE ROOM REQUEST

## MID-YEAR LOTTERY

Name:_____ Gender:_____ Class:_____

Current Room Assignment:_____ Email: _____

Please let us know the specific circumstances you believe warrant an assignment to a single room. If you have a medical or psychological reason, a doctor's written verification would be helpful to your request. Please complete this form and bring it with you to the Housing Lottery on Thursday, November 5, 2009.

*Please note that singles are awarded based on seniority and special circumstances. Lottery numbers for single rooms will be used when two or more students "competing" for a single room have similar seniority and situation.* **Completion of this form does not guarantee an assignment to a single room.**
