

# Information Systems Help Sheet Enlarging Your Screen

## Overview:

The size of the screen is dependent on a number of things, including the screen resolution settings found in the CONTROL PANEL → DISPLAY. There are a couple of things you can do at your desktop to increase the view of your screen/form.

Click on the icon that closes the "tree" and the folders etc. will disappear on the left side and more fully display the form/screen.

Click and drag  
the corner to  
make the screen  
bigger.
