

LESSON PLAN FORMAT

Date

Subject

Student objectives

By the end of this lesson, my students will be able to...

Opening activity/Introduction (includes students' active participation and links to prior knowledge)

Teaching the new objective (outline of activities, good questions to pose, major points, etc.)

Closing activity (includes students' active participation, reviews lesson, and relates to objective)

Assessment (how did the lesson go?)

1. Did the studnets learn and how do you know?

2. Self-assessment: What went well and what would you change?
