### Class Reunions

The professors, students, and events that were a part of your class's time at Lewis & Clark shaped your experience in a unique and powerful way. Your reunion is a chance to look back on your shared memories. Remember who you were and celebrate who you have become since graduation during special events just for your class.

### Overseas and Off-Campus Program Reunions

You traveled the world together. Now you can reunite with your trip mates and program leader and share stories about the adventures—international or domestic—that you've had since you parted ways.

See if your group is one of the more than two dozen with a reunion in the works at [go.lclark.edu/college/reunions/affinity](http://go.lclark.edu/college/reunions/affinity). If not, the deadline to register a group and receive special funding is March 18; you can volunteer online.

### See Who Will Be There

Want to see who is planning to attend? Visit [go.lclark.edu/college/reunions](http://go.lclark.edu/college/reunions) and follow the link to your class reunion page. See who is coming and add your own name. Is someone missing who *has* to attend? Let us know and we'll help you get in touch so you can remind them. Just e-mail the staff reunion coordinators at [reunions@lclark.edu](mailto:reunions@lclark.edu) or call 503-768-7950.

### Help Create a Class Profile

A class profile is a glimpse of the diverse qualities, values, and achievements of your Lewis & Clark class. Whether you plan to attend or have to miss Reunion Weekend, we encourage you to fill out an individual profile online. How many of your classmates serve their community through volunteering? Where do they live? How many kids do all your classmates have combined? Fill out your profile now. Follow the link to your class page and the profile questionnaire from [go.lclark.edu/college/reunions](http://go.lclark.edu/college/reunions).

If you do not have Internet access and would like to receive the profile in paper form, please call us at 503-768-7950.

### Thank Your Class Volunteers!

Your classmates have been working for the last 12 months to create a great reunion. When you see them, make sure to say thank you for all the effort and time they have committed to making sure your class would have a great celebration! See the list of volunteers at [go.lclark.edu/college/reunions/volunteers](http://go.lclark.edu/college/reunions/volunteers).

“We are so excited to have alumni stay on campus,” says Sandi Bottemiller, director of residence life. “Welcome back!”

# Activities

## Alumni College

Hear experts from the Lewis & Clark community share their knowledge. Professors—including John Bates, Stephen Dow Beckham, John Callahan, Helena Carlson, Dinah Dodds, Nas Rassekh, and Jean Ward—will present on their areas of interest. Alumni-led sessions will cover a variety of topics, and Lewis & Clark staff will present on college admissions and life at Lewis & Clark today. Check online for the schedule of sessions.

We're looking for alumni who would like to present. If you are interested in leading a session on a topic you are an expert in or are passionate about, contact your class reunion coordinator.

Find contact information at [go.lclark.edu/college/reunions/faq](http://go.lclark.edu/college/reunions/faq).

## Community Open Houses

Organizations that are essential to student life at Lewis & Clark will open their doors for you. Visit with Jane Atkinson, Michael Ford, Greg Caldwell, Kelly Hoover, Sandi Bottemiller, Joe Yuska, and more.

## A Family Reunion

Bring your family to Reunion Weekend! There will be something for everyone during our programs for kids and families, and on-campus child care will be available during key reunion times in the evening.

## Saturday Night Reunion Receptions, Northwest Salmon Bake, and Dance

You won't want to miss this evening! See the schedule of events for details on this cross-generational celebration.

## Alumni Choir

Associate Professor of Music Katherine FitzGibbon invites you to join the Alumni Choir. Sign up when you register and look for music in your mailbox before Reunion Weekend. Rehearsals are scheduled for Friday and Saturday before a performance on Sunday morning.

## Athletic Facilities

The campus athletic facilities and equipment rental will be available throughout your stay.

# On-Campus Reunion Experience

One of the best things about a summer reunion is that you and your family can take advantage of our affordable rates to stay in residence halls and apartments on campus. Stay near your classmates and continue your reunion beyond the scheduled events and activities!

Do you remember arriving at Lewis & Clark as first-year students and seeking out your hall and room? Our long-standing halls are similar to how you remember them, but they have been updated, and there are new, LEED-certified apartments to explore.

While on campus, you'll have access to the athletic facilities, including the indoor and outdoor pools, fitness center, outdoor track, and indoor tennis court.

## Bon Appétit!

Whether you are staying on or off-campus, you are invited to enjoy breakfast, lunch, and dinner in Fields Dining Hall (select meals will be served in the Trail Room). It's a great opportunity to recreate your student days, sit with your friends' families, and make new connections. Your meals will be provided by Bon Appétit, a company that is devoted to local, seasonal, sustainable, and responsibly raised food. Vegetarian, vegan, and gluten-free options will be available at each meal.

# Reunion Giving

The reunion class gift is an opportunity to thank your alma mater for your college experiences, participate in the tradition of alumni philanthropy, and join with your reunion class for a common purpose—all at the same time.

Reunion is the perfect time to give back. As you celebrate the lasting memories that connect you and your friends, you can help current students create their own experiences to talk about for years to come.

“Simply participate.” This year’s message for all alumni giving has added meaning for reunion classes. Take it as a challenge to make a first-time gift, continue your level of giving, or honor your class with a larger gift. Know that **every gift counts equally for class giving participation**. And in a reunion year, your Annual Fund gift and your reunion class gift are one and the same; your participation counts toward both areas!

Reunion Year	Goal
10th Reunion	71 donors
20th Reunion	77 donors
25th Reunion	86 donors
30th Reunion	81 donors
40th Reunion	100 donors
50th Reunion	45 donors
60th Reunion	65 donors

It’s easy to follow all the progress and make your own gift online. Simply participate by visiting [go.lclark.edu/college/reunion/giving](http://go.lclark.edu/college/reunion/giving). Then be sure to attend Reunion Weekend and celebrate the official results with your class.

*Simply participate*

“I want to keep Lewis & Clark strong and help it grow,”

says Daena Goldsmith '86.

“And for me, personally, giving back is important.”

The following pages feature the full schedule of Reunion Weekend activities. Plan on arriving and checking in the morning of, or the day before, your first reunion event.

Visit [go.lclark.edu/college/reunions/schedule](http://go.lclark.edu/college/reunions/schedule) for detailed descriptions and information. A full schedule will be included with your check-in materials.

## Special Events

### President’s Luncheon

This special meal features remarks from Lewis & Clark’s 24th president, Barry Glassner. Reunion volunteers will be recognized by President Glassner for their tireless efforts. Seating is limited, so make your reservation today!

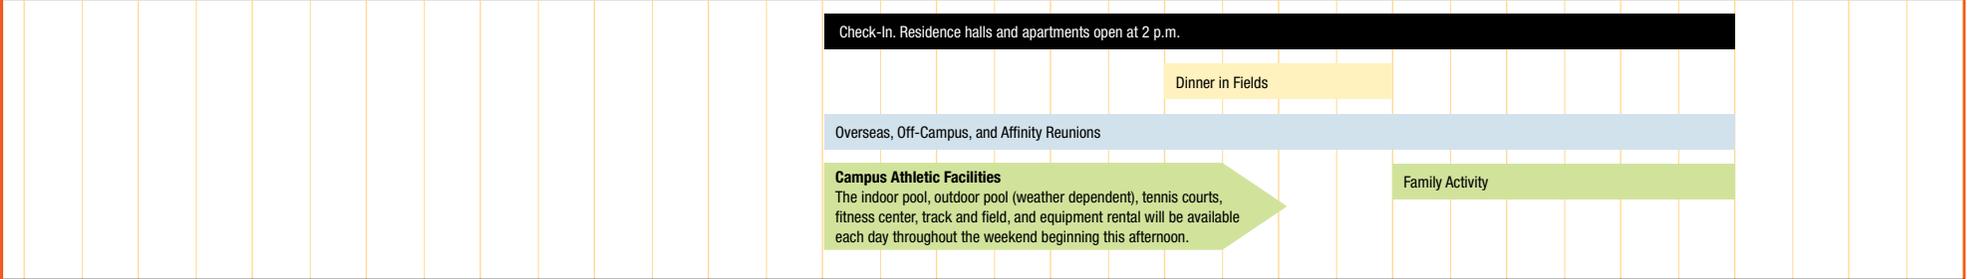

### Honoring President John R. Howard

The class of 1961’s commencement was the first for Lewis & Clark’s 20th president, John R. Howard, and the class of 1981’s graduation was the last he attended while serving in this role. Honor former President Howard’s contributions to Lewis & Clark at this special reception.

# Nuts and Bolts

## Pricing and Registration

Each Reunion Weekend event is affordably priced, and lower prices for certain events are available for attendees aged 17 or under.

For detailed pricing information and to register, visit [go.lclark.edu/college/reunions/registration](http://go.lclark.edu/college/reunions/registration) or refer to the enclosed registration form. You are also welcome to register in person at the Alumni Gatehouse any weekday between 8:30 a.m. and 5 p.m.

## On-Campus Housing

You can reserve your housing when you register at [go.lclark.edu/college/reunions/registration](http://go.lclark.edu/college/reunions/registration). We will try to place you next to your classmates in residence halls and you will receive your building and room confirmation prior to your arrival on campus.

The deadline to reserve on-campus housing is May 27.

**There are two types of housing available on campus: residence halls and apartments.**

- Residence halls feature a shared sleeping space with twin beds for two people or bunk beds for four people and a shared bathroom for each floor. These rooms are available at a cost of \$25 per person, per night.
- Apartments feature private bedrooms with one twin bed in each room and a shared bathroom, kitchen (cooking utensils are not included), and living area for each apartment. These rooms are available at a cost of \$45 per person, per night.

Both types of housing include common lounge areas where you can relax and spend time with friends.

There are no age restrictions for staying on campus. However, we are unable to provide any special equipment, such as cribs, and it is the parents' responsibility to supervise their children while staying on campus.

Most on-campus buildings and apartment halls are wheelchair accessible. If you require any special accommodations, let us know.

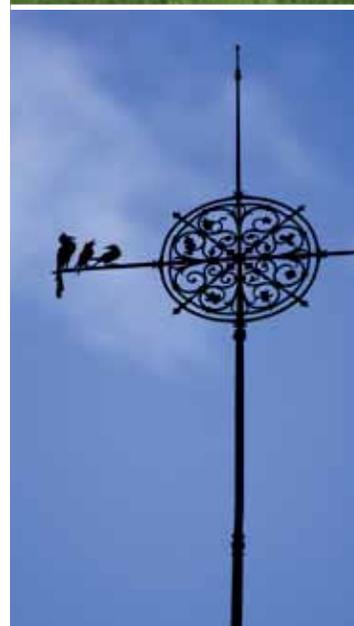

Sorry, no pets are allowed in the residence halls or apartments.

## Transportation and Parking

Parking on campus will be free for the duration of Reunion Weekend. Additionally, a free Reunion Weekend shuttle will run from Downtown Portland to campus beginning Friday afternoon and continuing through Sunday evening. The exact times for the shuttle service, as well as other transportation details, can be found at [go.lclark.edu/reunions/transportation](http://go.lclark.edu/reunions/transportation).
