

FACULTY APPROVAL FORM

If you are planning to register for a course that needs faculty approval (*i.e.*, Individual Research), you are required to get the faculty advisor's signature before the end of the two week add/drop period at the beginning of the semester. Without written approval, it will be considered that you do not have an advisor and your course will be not be added.

Please fill this form out and submit the form back to the Registrar's office with the faculty advisor's signature.
