

Fir Acres Campus
College of Arts & Science

Prepared by Sean Hanrahan of
PBS Environmental 1-12-2011
Location of all oil/fuel tanks over 55-gallons in size. Container dimensions are pretty close, although the specific locations are approximate and based on visual reference (no surveying was done).

Lewis & Clark
Fuel & Oil Tank Locations

Tank ID	Description	Year Installed	Location	Contents	Capacity (gal)	Discharge Prevention	Secondary Containment	Counter-Measures
AST-01	Vehicle Fuel Tank	?	Outside Facilities Services Auto Shop	Gasoline/ Diesel Fuel	1,000 / 500	A, B, C	F, G (12,550)	N, O
AST-02	Generator Base Tank	2001	Outside South of SC Conference Ctr in Shrubbery	No. 2 Diesel (Heating Oil)	220	A	H	N, O
AST-03	Generator Base Tank	2009	Outside North of Facilities Annex in Fenced Enclosure	No. 2 Diesel (Heating Oil)	280	A	H	N, O
AST-04	Generator Base Tank	2002	Outside East of East Hall in Concrete Enclosure	No. 2 Diesel (Heating Oil)	110	A	H	N, O
AST-05	Generator Day Tank	1998	Templeton Basement near Loading Dock	No. 2 Diesel (Heating Oil)	360	A	H (480)	N, O
AST-06	Underground Fuel Tank	1998	West of Templeton in Utility Vault	No. 2 Diesel (Heating Oil)	2000	D	I (5,900)	N, O
AST-07	Generator Base Tank	1997	Utility Tunnel below Watzek	No. 2 Diesel (Heating Oil)	270	A	J (900)	N, O
AST-08	Boiler Backup Fuel Tank	1995	Outside North of Central Plant (behind large tank)	No. 2 Diesel (Heating Oil)	8000	A	K (8,960)	N, O
AST-09	Inactive Portable Service Tank	Unknown	Outside North of Central Plant	Empty	240	E	L	N, O
AST-10	Generator Base Tank	Unknown 1969-1992	Outside of West entrance to Pamplin in Fenced enclosure	No. 2 Diesel (Heating Oil)	250	A	H	N, O
AST-11	Generator Base Tank	2009	Outside East of Campus Safety in shrubbery	No. 2 Diesel (Heating Oil)	340	A	H	N, O
AST-12	Generator Base Tank	2000	Outside North of Wood Hall Loading Dock in shrubbery	No. 2 Diesel (Heating Oil)	100	A	H	N, O
D-1	55 Gallon Oil Drums (7)	Not Applicable	Facilities Auto Shop		385 Total	E	F, M	N, O
