### **CHALLENGE**

### **ACCOMMODATION/STRATEGY**

- |  |  |
|--|--|
| 1. Slower reading speed  | Arrange to get textbooks on CD or in electronic form through Student Support Services  |
| 2. Difficulties taking notes during lectures   | Arrange for student notetaker  |
| 3. Difficulties remembering what you hear  | Arrange for notetaker/tutor to take notes in class & review them with you once a week  |
| 4. Challenges writing papers   | Use Writing Center (tell them you have a learning difference -- it helps!)   |
| 5. Difficulties with math  | Use Math Skills Center (strategize with Suanne -- it helps!)   |
| 6. Challenges with specific course material  | Arrange for a student tutor from the SAAB tutor list (see the ASLC website) or from the class through Student Support Services |
| 7. Slow writing speed on exams   | Arrange for extended time on exams   |
| 8. Distractibility and stress during exams   | Arrange to take your exam in a separate room with fewer distractions   |
| 9. Difficulties writing legibly on exams   | Arrange to take exam in separate room on computer  |
| 10. Difficulty differentiating important from less important information when studying | Start up a study group so you see how others are prioritizing their study  |
| 11. Difficulty getting words onto paper  | Use Dragon Naturally Speaking, voice-to-text software in the adaptive technology lab in Watzek Library                         |
| 12. Uncomfortable discussing your disability or learning difference                    | Come to the on-campus LD/ADD Network Group to share feelings, strategies for success, & meet cool people                       |
