

Lewis & Clark Law School's  
Small Business Legal Clinic  
and  
Stoel Rives LLP  
present:

## Internet Law for Small Businesses

Local intellectual property, trade regulation and business attorneys, will lead a presentation and discussion addressing:

- Key legal pitfalls to operating your business online
- Regulations, risks, and costs associated with ecommerce, social media, and cloud computing
- Strategies to avoid litigation if possible, and better manage it when it's not avoidable
