

## Managing My Student Account: Financial Aid Credit Balance Authorization

If you are the recipient of federal Title IV financial aid funds, you have a choice how to manage payment of miscellaneous charges on your student account. Title IV funds include all federal financial aid programs. Examples are: Pell Grant, SEOG, ACG, National SMART, Perkins, as well Direct Subsidized, Unsubsidized and Direct PLUS.

The balance of miscellaneous charges on your student account must be paid, either through your financial aid funds or through personal payments. Please complete and return this form to indicate how you wish your federal Title IV funds to be handled in addressing the charges on your student account.
