OREGON GOVERNMENT LAW 2005

THE LATEST CHAPTERS IN PUBLIC LAW

This program continues OLI's effort to update its 1991 publications, OREGON GOVERNMENT LAW and OREGON LOCAL GOVERNMENT LAW, in the context of an in-depth CLE focusing on new developments in public law. Participants can expect comprehensive materials that will update the chapters from the 1991 publications.

The chief new developments discussed this year will be the Public Employees Retirement System cases, the battle in the legislature about city annexation, and the latest developments with regard to the implementation of Ballot Measure 37. The program should therefore be of interest to seasoned practitioners and to attorneys who want to become more familiar with public law.
