First Week Reading Assignments

In the first week of class, I'm planning to plow through Chapters 1 and 2. There's more important material in Chapter 2 than in Chapter 1, and we'll get right into Chapter 2 in our first class. (The front end of Chapter 1 is mostly background.) With that in mind, here are your first-week assignments.

For Tuesday September 1:

Study carefully pages 33-50, locating in your Selected Federal Taxation Statutes volume the various Code and regulations sections cited in that portion of the casebook.

For Thursday September 3:

Study carefully pages 51-70; read pages 3-25 (middle); study carefully pages 25 (middle)-31 (middle). Once again (and throughout the course), locate in your Selected Federal Taxation Statutes volume the various Code and regulations sections cited in the casebook reading.
