## Student Senate 2010-2011

---

Senate Resolution No. FA10 SR011

A Resolution Regarding ASLC Support of DSAs

---

1 **Whereas**, in FA10 SR007 ASLC stated that the DSAs needed to have some form  
2 of repair by December 2, and

3 **Whereas**, no repairs have been made to date to the DSAs and in fact only a few  
4 DSAs currently have an umbrella, and

5 **Whereas**, none of the original picnic benches which were removed at the start of  
6 the semester have been returned, and

7 **Whereas**, it is now cold and rainy and DSAs provide no shelter to people who  
8 smoke, therefore

9 **Be it resolved by the Senate of the Associated Students of Lewis & Clark here**  
10 **assembled** that we will no longer support the DSA policy during inclement  
11 weather, and

12 **Be it further resolved** that the ASLC Student Senate will not support the DSA  
13 policy until such time as the DSA locations are repaired and provide adequate  
14 shelter to people who smoke. At the very least these repairs must include the  
15 installation of umbrellas at all DSAs.

16 **Be it further resolved** that the Student Government requests a report explaining  
17 the current status of the DSAs from Celestino Limas, Melissa Osmond, and John  
18 Hancock by January 27, 2011.
