

**Lewis & Clark Graduate School of Education and Counseling**  
**Examples of Estimated Total Tuition Costs by Program**

The table below gives examples of the cost of tuition by graduate programs using the 2019-2020 academic year tuition rate of \$947. Tuition costs are dependent on the number of credits for which you actually register each semester of each academic year.

NOTE: Tuition will experience a minimum increase each year. The total tuition number below will actually increase. This chart does not include fees for tests, assessments, background checks, or licensing.

Information regarding the number of credits recommended per semester can be found on our website. Go to your program's web page to find current credit requirements.

Program	Total Number of Credits In Program	Minimum total tuition costs based on 2019-2020 credit rate of \$947 per credit. NOTE: Tuition increases each academic year.
