\*In 2009, the Federal Government adopted a new way of reporting Race and Ethnicity. These are two new categories.

## by Race & Ethnicity

# page 1 of 2 in this section

10 Year History- Retention and Graduation Rates of First-Time, First Year Cohorts

Please note: The percentages in the following table can be very misleading given the small number of people in some categories.

| CAS degree-seeking students who       | started as fir       | st time fresh           | man, separa           | ted by race a             | and ethnicity           | /                        |                          |                               |                              |                                   |                              |                                   |                              |
