Dr. GEORG BORGSTROM:
expert on world food resources
and author of the famous book,
The Hungry World; is now
professor at Michigan State
University; was previously in
Sweden.

SHIRLEY TEMPLE BLACK:
universally acclaimed actress as
Shirley Temple; became U.S.
Delegate to U.N. in 1969, and is
now Deputy Chairman of U.S.
Delegation to UN Conference
on Human Environment.

Dr. S. CHANDRASEKHAR:
as Minister of Health and Family
Planning for the Government of
India, he crusaded to lower India's
skyrocketing birthrate. He holds
six doctoral degrees, is the
author of twenty-two books and
is a world authority on wide-scale
population control.
