Select your preferred package:

\$750 – Tuition (which includes lodging as a bonus, if you want to use it. The camp rents for one price, so there is unfortunately no discount for not using the lodging. However, you may want to take advantage of it on the nights of the two evening sessions.)

\$879 – Tuition (which includes lodging, too, if you want it) & Meal Plan (all meals and coffee/tea all day)*

\$825 – Tuition (includes lodging if you want in on any nights) with: **optional** *Commuter Meals (all lunches, coffee & tea breaks, & 2 dinners on the two evening session nights)

*Meal Plan option covers 3 meals/day: dinner 1/10/19 through breakfast on 1/19/19. The Meal Plan can accommodate omnivore (meat eater) and vegetarian diets. For vegan, gluten free, and other dietary restrictions please plan to bring & prepare your own food to prepare.

LODGING: we plan to put no more than 4 people in each 10 person capacity rustic cabin, so there will be plenty of extra room. You can pick your cabin mates if you'd like. Groups from the same organization can have their own cabins if desired. We will also have several cabins available for those who snore. Some rooms in deluxe cabins (i.e., shower, bathroom, & kitchenette in cabin) will be available at a small additional nightly fee. Inquire if you or your group are interested in the deluxe cabin rooms, please.

Successfully completing this 80-hour course certifies you as a Wilderness First Responder, and this course includes CPR certification through NOLS Wilderness Medicine and Landmark Learning. *No more than 8 hours of this course may be missed to be certified.*
