INFORMATION

WHAT IS COLLEGE OUTDOORS?

College Outdoors is the outdoor program at Lewis & Clark College. It gives the college community access to the spectacular outdoor environments of the Pacific Northwest and beyond in a variety of activities including x-country skiing, backpacking, hiking, whitewater rafting, and sea kayaking. On-campus events include talks and seminars on outdoor topics and leadership skills.

COLLEGE OUTDOORS GOES WILD!

Trips explore the mountains, deserts, rivers, and coast. If you are a neophyte outdoors person who considers the walk between your residence hall and the library to be a major hike, try a day raft trip or a trip to the coast! Other programs appeal to the more adventurous at heart and those familiar with outdoor life. Most trips don't require any prior experience. On all of our trips, you will find friendly people, clean (occasionally misty) air, and fantastic scenery.

RELEASE OF LIABILITY

Due to the litigious nature of society and the potential hazards of the outdoors, all College Outdoors participants must sign a release of liability/assumption of risk form.

HOW DO I SIGN UP FOR A TRIP?

Trip sign-up sheets are posted outside the College Outdoors office in Templeton 244 at 9am on the morning of the sign-up date listed for each trip. To hold your reservation, you need to pay the trip fee in our office within 3 business days after sign-up begins. Most trips are posted on Fridays, and payment is needed by Tuesday before 5pm to hold your space. After three days, unpaid spots will be filled on a first-paid basis. Scholarships are available from ASLC to those who qualify for federally subsidized financial aid.

REFUND POLICY

College Outdoors trips are subsidized by us or budgeted to break even. Once you have paid for a trip, we cannot give you a refund unless you find someone else to take your place on the trip. Exceptions are made for documented medical illness or unforeseen family emergencies. Please check your social and academic calendar before paying!

INCLEMENT WEATHER & TRIP CANCELLATIONS

In the event severe inclement weather is predicted at the program area, most of our trips have alternative trip locations. See the sign up sheet for the inclement weather plan. If College Outdoors has to cancel a trip due to unforeseen circumstances, College Outdoors will refund the trip fee.

PRE-TRIP INFORMATION

Sign-up begins several weeks prior to the trip and is posted on the bulletin board outside the College Outdoors office in Templeton 244. All trips have a pre-trip meeting (PTM) typically scheduled for the Tuesday before the trip. PTM times are noted on the sign-up sheet as well as in this brochure.

WHAT DOES COLLEGE OUTDOORS PROVIDE?

Unless otherwise noted College Outdoors arranges food packouts for students on Bon Appetit meal plans, group equipment, personal equipment (like wet suits, raincoats, backpacks, etc.), transportation, and organization. Participants not on the Bon Appetit meal plan will pay \$8 more per day for food with the exception of day trips where participants have the option of providing their own food at no extra cost.

TRANSPORTATION

College Outdoors uses 15 & 12-passenger vans and 8-passenger SUVs for most transportation to and from campus for our trips. Transportation is included in the trip fee unless otherwise noted.

VOLUNTEER OPPORTUNITIES

There are many ways to get more involved in College Outdoors. Volunteers are a great asset to our program, and we hold clinics, talks, and job fairs throughout the semester for those interested in learning and helping out College Outdoors. Stop by or contact the office for more information.

LEADERSHIP OPPORTUNITIES

If you are interested in becoming a College Outdoors student leader, stop by the office for information on our leadership program, student coordinating, and other opportunities.

Scholarships for College Outdoors trips are funded by ASLC.

College Outdoors is an equal opportunity provider and operates under special use permit with the US Forest Service.

The forest is still visible beneath the waters of the lake- preserved in the cold water. We'll camp on the shore of Suttle Lake, visit waterfalls, the giant spring that gives rise of the McKenzie River, and hike through the forest. FALL BREAK:

BACKPACK OREGON'S CANYONLANDS

Thursday, Oct. 11 - Saturday Oct. 13

The canyon walls tower above your camp here, making it feel like you're in a smaller version of the Grand Canyon. One of the largest springs in eastern Oregon is in the middle of this proposed wilderness area. Backpacking can be rigorous, and participants must be able to carry 50+lbs on their back for the duration of the trip.
Sign up begins: Friday, Sep. 14 **Fee: \$155**

FALL BREAK:
