Are you eligible?

To join Regence MedAdvantage + Rx Classic (PPO) you must be entitled to Medicare Part A, enrolled in Medicare Part B, eligible for your employer's retiree plan and live within the United States.

Using in-network providers

Regence MedAdvantage + Rx Classic (PPO) has a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, you may pay more for these services. You can see our plan's provider directory and pharmacy directory at our website, regence.com/medicare.

Regence also participates in the Blue Medicare Advantage Network Sharing Program. The Blue Medicare Advantage Network Sharing program is available in select areas of 37 states and Puerto Rico: Alabama, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Kansas, Kentucky, Louisiana, Maine, Massachusetts, Michigan, Minnesota, Missouri, Montana, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Virginia, Washington, West Virginia and Wisconsin. You can search for a participating provider at bcbs.com.

Using out-of-network providers

Out-of-network/non-contracted providers are under no obligation to treat Regence members, except in emergency situations. If you receive care from an out-of-network/non-contracted provider, we will pay for the same services we cover in network, as long as the services are medically necessary. Please call our Customer Service number or see Chapter 4, section 1 of your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

*If you want to know more about the coverage and costs of Original Medicare, look in your current **Medicare & You** handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.*

Accessing your benefits where you live

As long as you are eligible for your employer's retiree plan you will have coverage in any state you live in (excluding U.S. territories). If you use a Regence MedAdvantage PPO network provider, or a provider who participates in the Blue Medicare Advantage PPO Network Sharing Program, you will receive in-network benefits for covered services. If you live in a state that participates in the Blue Medicare Advantage PPO Network Sharing Program, but you do not have access to in-network providers due to distance, or if you live in a state that does not participate in the Blue Medicare Advantage PPO Network Sharing program, you will receive in-network benefits for covered services. For questions about your coverage where you live contact Customer Service at 1-888-319-8904.

Accessing your benefits when you travel

If you travel outside the state where you live, or the United States, you can leave home without worrying about access to care if you need it.

Within the United States you will receive in-network benefits when you use a Blue Medicare Advantage PPO Network Sharing Program provider. If you choose to use an out-of-network provider when an in-network provider is available, you may pay more for your services, except in urgent and emergent situations.

Outside of the United States, the plan covers urgent care and medical emergencies anywhere in the world (with the exception of prescription drugs).

The benefit information provided is a summary of what we cover and what you pay. **It does not list every service that we cover or list every limitation or exclusion.** A complete list of services we cover is found in our Evidence of Coverage (EOC). You can view our plan's EOC by requesting a copy through your union or group administrator or by contacting Customer Service.
