

TO DO LIST – REQUIRED FORMS FOR NEW STUDENTS

1. Set up your LC email. This must be done the day before you register in the portal.
2. Register and log in to the Health Information Portal – <http://clark.medicatconnect.com>
3. Click on the Forms tab:
 - Fill out Health History form
 - Fill out Mental Health History (optional)
 - Read and sign the Health Service Consent to Treatment form
4. Click on the Immunization tab:
 - Enter your two MMR or measles dates in the Immunization form.

Please note: If you had MMR (measles, mumps, rubella combined) vaccines enter the dates in the MMR boxes. If you had vaccinations that were measles only enter those dates in the measles boxes. Do not use the waiver boxes unless you are actually waiving the immunization due to a vaccination exemption.

You may enter your other immunizations, however they are not required.
 - If applicable, enter the date and results of either a TB skin test, TB blood test (IGRA) or chest x-ray done within the last 6 months.

Please note: This should only be done if you were born in or in the last five years, you traveled to a country with high incidence of tuberculosis disease (See [list of countries](#)).
