

# English Language Scholarship for Human Rights Activism

## Essay Questions 2020-21

1. Describe in detail your experience in human rights activities and causes in your country. Include any work or volunteer experience that have allowed you to contribute to your country's society.
2. How would improving your English through this English Language scholarship help you in your goal to contribute and promote human rights in your country? Provide details of what you will do when you return to your country.
3. The scholarship gives the opportunity for you to learn from our community and for us to learn from you. Please review the Lewis & Clark and Texas Christian University websites on student life. How do you see yourself engaging in campus life?
