2020 Tax Filers

Using the IRS Data Retrieval Tool (DRT) — Recommended Method for Tax Filers

- Visit [FAFSA.gov](https://fafsa.gov) and log in to the student's 2022-2023 FAFSA.
- Select "Make FAFSA Corrections."
- Navigate to the "Financial Information" section of the FAFSA. Follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool. Transfers of unaltered IRS data are acceptable for verification.
 - Most tax filers are eligible to use the DRT, but in some scenarios, the DRT will not be an option. If, for example, student and spouse are married but filed separate tax returns, or marital status changed after the tax year in question ended, income information must be manually entered into the FAFSA and verified by a different method.
