- ☐ \$195 **Meal Plan** (3 meals/day during course, and coffee/tea breaks) Meat or vegetarian meals available.
- ☐ \$100 **Commuter Meals** (all lunches, coffee/tea breaks, plus dinners on the 2 evening session nights)

*Meal Plan option covers 3 meals/day: breakfast on 1/06/2022 through dinner on 1/14/2022. The Meal Plan and Commuter Meals can accommodate omnivore (meat eater) and vegetarian diets. For vegan, gluten free, celiac, or other dietary restrictions, please check with us- you may need to bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are camping).

If you'd prefer not to be on the meal plan, bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are camping).

****Lodging:** Lodging is included with tuition, if you want to use it. The camp rents for one price, so there is unfortunately no discount for not using the lodging. However, if you are commuting, you may want to take advantage of it on the nights of the two evening sessions. We plan to put no more than 2- 4 people in each 10 person capacity rustic cabin, so there will be plenty of extra room. You can pick your cabin mates if you'd like. We will also have several cabins available for those who snore.

Successfully completing this 80-hour course certifies you as a Wilderness First Responder, and this course includes CPR certification through NOLS Wilderness Medicine and Landmark Learning. *No more than 8 hours of this course may be missed to be certified.*
