## Positive Tests\*

Date Reported	On-Campus COVID Tests with Results	On-Campus Positive Tests	On-Campus Positivity Rate*	Off-Campus Positive Tests of Which We Are Aware	Total Known Positive Tests with Campus Impact
November 2021 (last updated November 9)	115	0	0%*	1	1
October 2021	518	8	1.54%	15	23**
September 2021	1326	6	0.45%	12	18
August 2021	783	3	0.38%	0	5**

# LEWIS AND CLARK FIVE-YEAR STRATEGIC PLAN

[https://www.lclark.edu/strategic\\_plan/](https://www.lclark.edu/strategic_plan/)

# LEWIS AND CLARK FIVE-YEAR STRATEGIC PLAN

- GOAL 1. STRENGTHEN, DIFFERENTIATE, AND PROMOTE THE KIND OF ACADEMIC EXPERIENCE WE OFFER STUDENTS: A CLOSE AND RIGOROUS ENGAGEMENT WITH EXCEPTIONAL FACULTY AND A DYNAMIC COMMUNITY.
- GOAL 2. ATTRACT, ENROLL, AND GRADUATE STUDENTS WHO WILL SUCCEED AT LEWIS & CLARK.
- GOAL 3. DEVELOP AND MAINTAIN CAMPUS INFRASTRUCTURE AND FACILITIES APPROPRIATE FOR A SELECTIVE, NATIONALLY COMPETITIVE COLLEGE.
- GOAL 4. STRENGTHEN OUR DIVERSITY, EQUITY, AND INCLUSION EFFORTS.
- GOAL 5. RECOGNIZE AND REWARD OUR FACULTY AND STAFF.
- GOAL 6. COMPLETE A COMPREHENSIVE CAMPAIGN FOR CAPITAL PROJECTS, SCHOLARSHIPS, AND OTHER NEEDS.

# LEWIS AND CLARK FIVE-YEAR STRATEGIC PLAN - GOAL 3

GOAL 3. DEVELOP AND MAINTAIN CAMPUS INFRASTRUCTURE AND FACILITIES APPROPRIATE FOR A SELECTIVE, NATIONALLY COMPETITIVE COLLEGE.

A.Maintain and extend the useful life of existing buildings and landscaping.

B.Build and renovate student housing.

C.Renovate and expand science facilities, starting with the Olin Physics/Chemistry Building.

D.Renovate Templeton Campus Center.

E.Renovate Corbett House.

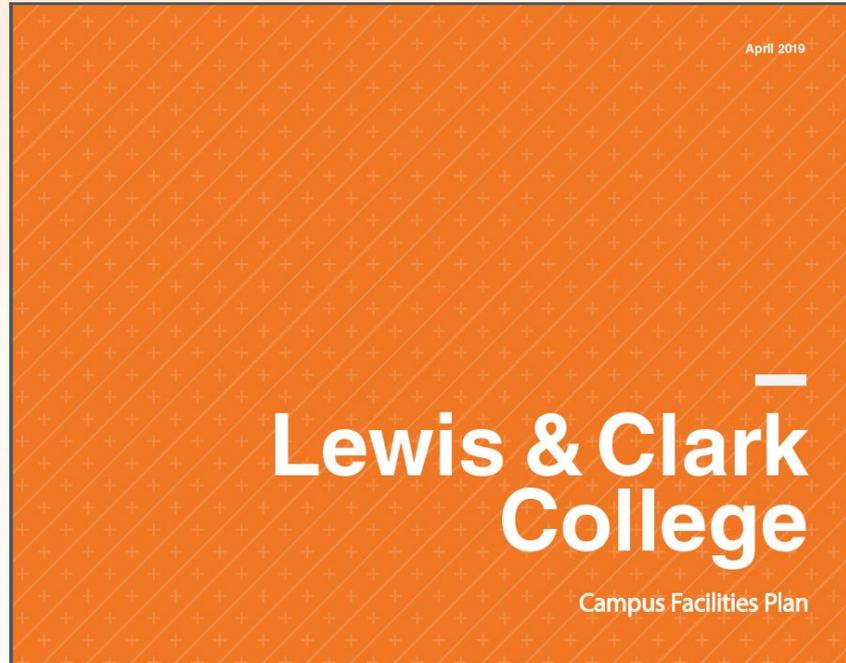

F.Consider other projects such as athletic facilities, and music and theatre performance spaces.

# Lewis and Clark's Transportation Impact Review and Transportation Demand Management Plan

- Approved 2020-2030
- Provides land use approval for development within campus boundary as contemplated in Campus Master Plan

# CAMPUS FACILITIES MASTER PLAN

VIEW FROM NW

## Templeton Addition/Remodel Schedule

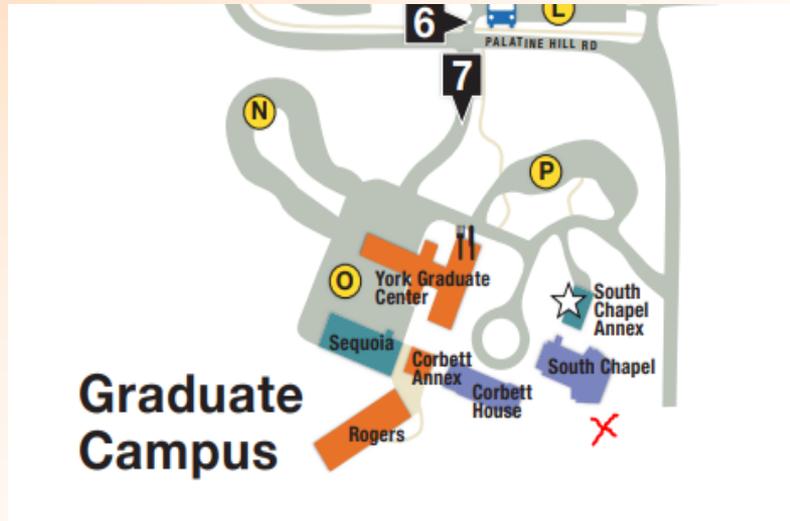

- Ground Floor Renovations including new Trail room scheduled to be complete for Fall 2022
- Full project completion expected for Spring 2023
- Focus on minimizing impact to community
- [https://www.lclark.edu/offices/facilities/capital\\_projects/](https://www.lclark.edu/offices/facilities/capital_projects/)

# 4th Ave Vacant / Storage lot

- Significant clean-up work near completion
- Planned for use as staging for Facilities Dept work
- Parking of College fleet vehicles to free up central campus parking

# New Graduate School Parking Lot

- Graduate Campus Parking Expansion
- Additional parking via a green design leaving as many trees as possible and using bio swales.

# Athletics Improvements

- Expansion of programming- men's soccer (2022-23) and women's lacrosse (2023-24)
- Considering upgrades to Huston Sports Complex
  - Reconfiguration of field space
  - Permanent bathroom facilities
  - Parking

## Heart of Campus- Phase 2

Renovation of Stewart & Odell  
Residence Halls

- Work remains in planning stages
- Possible construction schedule  
January – August 2023

“The greenest building is the one that already exists” – Carl Elefante, Former President  
American Institute of Architects

# Parking & Transportation

## Parking Management

- Required permit purchase & enforcement
- Daily sweeps of neighborhood
- First Year student vehicle prohibition
- Increasing use of remote work where possible

## Alternative Transportation Strategies

- 75% Trimet subsidy for all students, staff, faculty and contractors.
- Free shuttle service
- Emergency rideshare service
- Zip Car partnership
