

# Directions for Health Service COVID-19 Booster Dose Clinic

## I. To make your appointment:

Login to the LC Health Portal at <https://lclark.medicatconnect.com>.

Click on "Apptmts"

Under "Clinic," choose "Health Service."

Under "Appointment type," choose "COVID-19 Booster Vaccine."

Under Provider, choose "All."

Click Submit.

Choose December 3 as your date, and choose an appointment time.

Be prepared to wait for at least 15 and up to 30 minutes in our observation area after your injection.

## II. In the hour prior to your appointment:

Use Mobile Self Check-In for your appointment. Login to the LC Health Portal at <https://lclark.medicatconnect.com> within 60 minutes prior to your appointment time and complete the following 2 steps:

1. Select the "COVID-19" Tab and complete the COVID Self Check and Reporting Form (SCARF) prior to your appointment.
2. Scroll to the bottom of the Home Page to view Upcoming Appointments and select the blue "Check-In" button.

You will be directed to complete the *Immunization Appointment Questionnaire* and any other required forms for your appointment

## III. When you come to the clinic:

Bring your previous vaccination card. Please locate your hard-copy card in advance of the clinic! If you can't find your hard-copy card, bring a picture of your card, e.g., on your phone. If you don't have your hard-copy card, and you don't have a picture of your card, please contact us at [healthed@lclark.edu](mailto:healthed@lclark.edu) as soon as possible for guidance.
