

2022 LC Benefits

For rates and detailed information, please visit our Benefits Website at go.lclark.edu/benefits

MEDICAL

Opt Out Credit. \$50/mo. stipend if coverage is waived.

Spousal Surcharge. An additional \$50/mo. will be charged if an enrolled spouse or domestic partner is eligible for other group health coverage.

Kaiser Permanente Value HMO Plan

With an HMO plan, you must choose a Primary Care Physician (PCP) from a network of local healthcare providers who will refer you to in-network specialists or hospitals when necessary. All your care is coordinated through your PCP. An important thing to keep in mind about HMO plans is they generally won't cover out-of-network care except in a true emergency. If you choose the "Value" HMO plan, you have copays for most common services. There is also a deductible on this plan. For more major services such as a hospitalization, you would pay your deductible first, then co-insurance. Because your out-of-pocket costs are greater, this plan provides lower monthly premiums than the Traditional HMO plan design.

Kaiser Permanente, Traditional HMO Plan

With an HMO plan, you must choose a Primary Care Physician (PCP) from a network of local healthcare providers who will refer you to in-network specialists or hospitals when necessary. All your care is coordinated through your PCP. An important thing to keep in mind about HMO plans is they generally won't cover out-of-network care except in a true emergency. Unlike the Value HMO plan, there is no deductible.

Kaiser Permanente, Added Choice PPO

If you are looking for choice and convenience, consider the Added Choice point-of-service (POS) plan. Added Choice offers three levels of coverage, called tiers. Members can move from one tier to another at the point of service. The choices you make determine which doctors you see, which medical facilities you use, and how much you pay. This plan has national coverage and you can see providers outside of Kaiser Permanente.

Kaiser Permanente, High Deductible Health Plan PPO

Our HDHP has the same coverage tiers as our Added Choice PPO but coverage is paid for differently. Employees pay 100% of all costs until they have paid the full deductible, then they have a cost share percentage until the out of pocket max is reached. Employees who enroll in this coverage also have access to a **Health Savings Account** that has employee and employer contributions. Enrollment requires a one on one meeting with your Benefits Analyst to confirm an understanding of the plan limits.

DENTAL

Delta Dental, PPO

You may choose to see any provider; however, the annual benefit maximum will go further if you stay within Delta Dental's Preferred "PPO" network.

Kaiser Permanente, HMO

When enrolling in this plan, you must seek care at a Kaiser Permanente Facility.

Willamette Dental, EPO

When enrolling in this plan, you must only go to a Willamette Dental Facility. This plan has set copays for services and no annual maximum.

Benefit Questions? Please contact:
