

Academic English Studies

Important Information to Prepare for Campus Attendance

We hope you are preparing for your upcoming studies in AES at Lewis & Clark. Please find important information in the links below. **IMPORTANT:** In order to access these websites and portals, you need to have your lclark user account (and email). **If you have not made your email and user account, [click here to begin](#).**

[2022-23 Covid Vaccination Policies](#)-all students must complete vaccines by September 15, 2021. If you have questions about how to receive vaccines email aes@lclark.edu. Proof of vaccination is required. You will upload this information to your [Health Information \(Medical\) Portal](#). **You must first register on this page to create an account. [View this video for help](#).**

Welcome to the Lewis & Clark Health Information Portal

*****IMPORTANT*** ATTENTION: PLEASE READ INSTRUCTIONS CAREFULLY.**

NEVER USE THIS PORTAL TO COMMUNICATE URGENT OR TIME-SENSITIVE INFORMATION TO STAFF. STAFF CHECK PORTAL MESSAGES INFREQUENTLY.

You may log in using your Health Information Portal user name and password, or if you are a new user, please click the Register button above. Once logged in you will have access to online services such as:

- Complete health forms and immunization records.
- Obtain immunization records
- Obtain receipts/walkout statements
- Limited appointment scheduling for the Health Service

We advise using Google Chrome or Internet Explorer 8.0 or higher when you login to our portal, as using other browsers such as Safari may result in a loss of information.

Coming to Campus

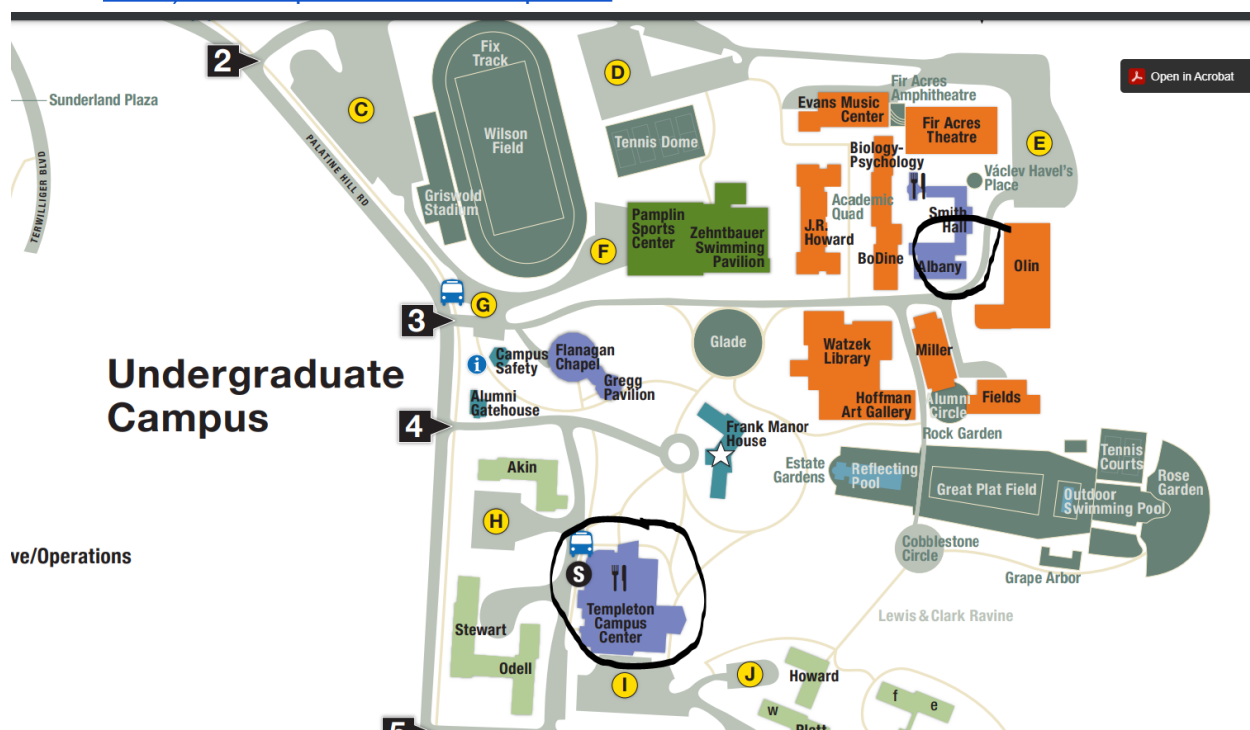

There are a few things to know about parking and public transportation. For complete information on transportation options, [click here for transportation and parking](#). [View this video for help](#).

- During the fall and spring semesters, there is a parking fee, Monday - Fridays 7 a.m. to 7 p.m. Follow this [link to register your vehicle for parking](#). Parking can be crowded, so we encourage you to take public transportation and/or the free [Pioneer Shuttle Bus](#), which is available fall and spring semesters only.

- If you use TriMet (buses and rail), you can get a student discount (up to 75% discount!) if you purchase it through the [transportation portal](#). Learn how to get a [discounted TriMet pass as a Lewis & Clark student](#).
- TriMet Bus Service to the Campus - The [#39 bus route](#) runs between the Campus, the Burlingame transit center, and Safeway on SW Barbur Boulevard, and the Hillsdale neighborhood. The connecting bus routes at the Burlingame Transit Center are numbers [1, 12, 64, and 94](#). The Connecting routes in Hillsdale are numbers [44, 45, 54, 55, 56, 61, and 64](#).

[Map of campus - click for full map](#)

- [AES Offices are in Albany Hall 104 \(see black circle\) - lower level](#)
- [First Day of Fall Orientation - meet in Council Chamber in Templeton Center \(see black circle\). Bus stops outside of Templeton.](#)

[AES Student Handbook](#) - please review this to learn about resources, policies, and contacts.

Use [Webadvisor](#) to see your **class schedule, grades, order transcripts, and see your bills.** [View this video for help.](#)

[Pay your tuition and other costs.](#) You may pay by credit card or in person. Pay with international funds using Flywire. Become familiar with your [Student Account Center](#). This is another way to see and pay your bills. Click [here for a video tutorial](#).

Visit the [Student Health Center](#) - The health center is located in Templeton, under the Career Center. It is open in fall and spring semesters. Remember that you need proof of vaccinations

([MMR and Tuberculosis](#)). If you have not completed the [form, please open here](#), complete, save, and email your completed form to aes@lclark.edu.

Health Insurance

You must have insurance equal to the Lewis & Clark insurance in order to waive the Lewis & Clark health insurance fees. [Learn more](#) and click here for the [Waiver Application](#). SACM, Waseda, Hokusei Gakuen, Kuwait, and Rikkyo sponsored students should be automatically waived for insurance costs. Check your student accounts at lclark.afford.com

Food on Campus - Bon Appetit [Dining and Cafes](#)

Visit the Bon Appetit's [Wellness Page](#) for a feast of information about the roles our from-scratch cooking, nutritional approach, local sourcing, and other sustainability programs can play on your menu. Sign up online to receive the daily menu in your inbox.

Please take time to review the [AES Student Resource Page](#) to find this important information and other useful information about AES and Lewis & Clark life.

If you have questions anytime, please ask! You can email aes@lclark.edu, ask me at shierl@lclark.edu, or ask one of your instructors. We are here to help.

We look forward to having you in our community. Welcome!

What to Pack

If you are here September through May, bring clothes for winter. If you are here for the summer only, bring a light jacket or sweater as well as warm weather clothes. Rain jackets are a must for most seasons. Temperatures range from:

Summer sessions: 24°C to 37°C

Fall Semester: 27°C-1°C

Spring Semester: 1°C-11°C

Students wear informal, casual clothes. Most students wear blue jeans to class. You may want to bring traditional national clothing from your country to wear at the International Fair in March, or on special occasions.

Bring posters or pictures from your country that will help decorate your room and remind you of home. If you like to cook, you may also want to bring a cookbook, some special spices, and coffee or tea from your country. The residence halls have small kitchens where you can prepare simple dishes.
