

FLORIDA Jan. 4-13, 2023 Wilderness First Responder – Registration Form

How To Register: You must up to date with Covid-19 vaccinations by course start. Due to the hands-on nature of the course (especially when practicing patient assessments) we are unlikely to allow exceptions, but call us if you think you have a special situation.

You can register over the phone at (503) 880-5387, or stop by our East Hall desk if on campus, or send this form by email to yuska@LCLARK.edu. Also, you can print this form, take photo of it w/ your phone, and email it. We recommend calling to give us your credit card information for greater security.

Location: Apopka, Florida (Orlando metropolitan area) at Wekiwa Springs State Park

Course Dates: 8:00 AM Wednesday January 4th through 5:00 PM Friday, January 13th, 2023

Select your preferred package: (Lewis & Clark undergrads- your fee is \$695 for tuition, \$165 for full meal plan)

- ☐ \$850 **Tuition** (includes Lodging** in cabins). (\$695 for current LC students)
- ☐ \$250 **Meal Plan*** optional. (3 meals/day during course, and coffee breaks) Vegetarian meals available. (LC students \$165)
- ☐ \$150 **Commuter Meals** (all lunches, coffee/tea breaks, plus dinners on the 2 evening session nights)

*Meal Plan option covers 3 meals/day: breakfast on 1/04/2023 through dinner on 1/13/2023. The Meal Plan and Commuter Meals can accommodate omnivore (meat eater) and vegetarian diets. For vegan, gluten free, celiac, or other dietary restrictions, please check with us- in some cases, you may need to bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are camping).

If you'd prefer not to be on the meal plan, bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are car camping).

**Lodging: Lodging is included with tuition, if you want to use it. The camp rents for one price, so there is unfortunately no discount for not using the lodging. However, if you are commuting, you may want to take advantage of it on the nights of the two evening sessions. We plan to put no more than 2 people in each 10 person capacity rustic cabin, so there will be plenty of extra room. You can pick your cabin mates if you'd like. We will also have several cabins available for those who snore.

Successfully completing this 80-hour course certifies you as a Wilderness First Responder, and this course includes CPR certification through NOLS Wilderness Medicine and Landmark Learning. *No more than 8 hours of this course may be missed to be certified.*
