| Suture Removal                                | S0630 | \$0.00  |

\* Funded by FSU

\*\* There is one venipuncture or handling fee charged for all laboratory tests sent out to the reference laboratory per patient per day, irregardless of the number or type of tests sent.

\*\*\* These laboratory tests do not incur a venipuncture or handling fee.

^ For cultures or tests indicating "reflex": if an abnormal result is received on the initial test, additional testing will automatically be performed at an additional cost.

+ Other lab tests are available in addition to those listed here. Please contact our office for a quote.
