

## FLORIDA Jan. 3-12, 2024 Wilderness First Responder – Registration Form

**How To Register:** Please be up to date with Covid-19 vaccinations by course start. Due to the close contact between you & your classmates in the roles of “patients” and “care providers” in this course, a Covid-19 infection can spread rapidly, and will require you (if testing positive) to drop out of the course. A current (w/in the last 6 months) Covid-19 vaccination or booster is your best protection.

You can register over the phone at (503) 880-5387, or stop by our East Hall desk if on campus, or send this form by email to [yuska@LCLARK.edu](mailto:yuska@LCLARK.edu). Also, you can print this form, fill it out, take photo of it w/ your phone, and email it. We recommend calling to give us your credit card information for greater security. We can arrange a Venmo payment if necessary.

**Location:** Apopka, Florida (Orlando metropolitan area) at Wekiwa Springs State Park

**Course Dates:** 8:00 AM Wednesday January 3<sup>th</sup> through 5:00 PM Friday, January 12<sup>th</sup>, 2024 (you can arrive at the camp as early as the afternoon of January 1, 2024.)

Select your preferred package: **(current Lewis & Clark undergrads- your fee is \$695 for tuition, \$165 for full meal plan)**

- \$875 **Tuition** (includes Lodging\*\* in cabins). **(\$695 for current LC students)**
- \$275 **Meal Plan\*** optional. (3 meals/day during course, and coffee breaks) Vegetarian meals available. **(LC students \$165)**
- \$160 **Commuter Meals** (all lunches, coffee/tea breaks, plus dinners on the 2 evening session nights)

\*Meal Plan option covers 3 meals/day: breakfast on 1/03/2024 through dinner on 1/12/2024. The Meal Plan and Commuter Meals can accommodate omnivore (meat eater) and vegetarian diets. For special diets: vegan, gluten free, celiac, or other dietary restrictions, please check with us to see if we can accommodate you- in some cases, you may need to bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are camping).

If you'd prefer not to be on the meal plan, bring supplies to prepare your own food (including stove, cooler, pots/pans: be self-sufficient, as if you are car camping).

\*\***Lodging:** Lodging is included with tuition, if you want to use it. The camp rents for one price, so there is unfortunately no discount for not using the lodging. However, if you are commuting, you may want to take advantage of it on the nights of the two evening sessions. **We plan to put no more than 2 people in each “10 person capacity” rustic cabin**, so there will be plenty of extra room. You can pick your cabin mates if you'd like. We will also have several separate cabins available for those who snore. While we won't be set up for meals until breakfast on Jan. 3, 2024, you can arrive at the camp as early as the afternoon of January 1, 2024.

Successfully completing this 80-hour course certifies you as a Wilderness First Responder, and this course includes CPR certification through NOLS Wilderness Medicine and Landmark Learning. *No more than 8 hours of this course may be missed to be certified.*
